Medication History

Please list all current medications including alternative and non-prescription medications. Make a new entry anytime a medication's dosage or frequency changes. If a medication is listed and has been discontinued, entered in the date the medication was discontinued in the "end date" section. If you start a new medication, create a new entry.

AUTHORIZATION TO RELEASE OR USE INFORMATION FOR TREATMENT, PAYMENT, OR HEALTH CARE OPERATIONS

I hereby authorize the release or use of my individually identifiable health information and medical record information by **Florida Joint & Spine Institute**, **P.A.** in order to carry out treatment, payment or health care operations. You are encouraged to review The Practice's Notice of Privacy Practices for a more complete and detailed description of the potential release and use of such information and have the right to review such Notice prior to signing this form. You retain the right to request that we further restrict how your protected health information is released or used to carry out treatment, payment, or health care operations. However, **Florida Joint & Spine Institute**, **P.A.** is not required to agree to such restrictions. I understand that I may revoke this consent in writing, except to the extent that the organization has already taken action in reliance thereon. I also understand that by refusing to sign this consent or revoking this consent, this organization may refuse to treat me as permitted by Section 164.506 of the Code of Federal Regulations. I further understand that **Florida Joint & Spine Institute**, **P.A.** reserves the right to change their Notice and Practices and prior to implementation, in accordance with Section 164.520 of the Code of Federal Regulations. Should **Florida Joint & Spine Institute**, **P.A.** change their Notice, they will send a copy of any revised notice to the address I've provided (whether U.S. mail or, if I agree, email). **RESTRICTIONS:** I wish to have the following restrictions to the use or disclosure of my health information:

Institute, P.A. change their Notice, they will send a copy of any revised RESTRICTIONS: I wish to have the following restrictions to the use of	d notice to the address I've provided (whether U.S. mail or, if I agree, email)

Florida Joint & Spine Institute, P.A.

Financial Policy

Thank you for choosing Florida Joint & Spine Institute, P.A. as your health care provider. We are committed to the success of your treatment. The medical services provided by our office are services you have elected to receive which imply a financial responsibility on your part.

Our office verifies all insurances prior to your first appointment. The information obtained from the patient's insurance carrier is not a guarantee of payment. It is only a review of the patient benefits. Upon our receipt of the insurance company claim payment, our office will address any discrepancies that arise due to incorrect information provided at the time of benefit verification. Ultimately, payment for services rendered is the patient's responsibility.

Forms of payment: Forms of payment accepted are cash, check, Care Credit, American Express, Discover, MasterCard or Visa debit or credit cards, HSA and FSA.

CareCredit: CareCredit is a dedicated resource available to our patients for use when paying for procedures not covered by insurance. CareCredit offers a 6 month no interest plan for amounts above \$200. For more information, please contact one of our office staff or call 1-800-365-8295. You may also apply online at www.carecredit.com. Patients having procedures who do not qualify for Care Credit have the option of making monthly payments until the amount is paid in full. Please keep in mind, the procedure will not be scheduled or performed until the balance is paid in full!

Accident Insurance: Our office does not accept or file accident insurance. This includes, but is not limited to, school insurance, homeowner's insurance, and private plans.

Automobile Insurance: Any incident involving an automobile must be filed under the patient's automobile insurance carrier. This includes non-collision accidents such as closing a car door on a finger or sustaining an injury while lifting a load out of a car trunk. Patients having additional personal/group insurance will be required to file the automobile insurance as their primary insurance and the personal/group insurance as their secondary insurance. Patients that only have automobile insurance will be considered a Self-Pay Patient. It is unlawful to bill automobile claims to a patient's personal/group insurance until all automobile insurance benefits have been exhausted. Since, Florida is a "no fault" state, the patient will be responsible for providing our office with the following information prior to scheduling an appointment: patient's auto insurance information, claim adjustor's name and contact number, claim number, date of accident, and health insurance information. Prior to scheduling your appointment, our office will contact your insurance company to verify benefits. As of January 1, 2013, Florida law states that if you are injured in an accident you are required to obtain medical treatment within 14 days or there is NO PIP COVERAGE FOR ANY MEDICAL BENEFITS!

Collections: If you fail to pay your account, you agree to reimburse us the fees of any collection agency, which may be based on a percentage at a maximum of 25% of the debt, and all costs, and expenses, including reasonable attorneys' fees that we incur in such collection efforts.

Co-Payments: Co-payments are collected at the time of registration. Patients who are unable to pay their copayment may not be seen. Our practice is obligated to collect co-payments by your insurance company.

Deductibles / Coinsurance: Patients with deductibles will be required to pay a deposit at check in. The remaining balance, coinsurance and or deductible will be collected at check-out based upon the insurance allowable. Patient credits will be applied to the next visit or refunded if no other appointment is necessary.

Referrals: If your insurance plan requires a referral from your primary care physician, it is your responsibility to obtain the written and/or electronic referral prior to scheduling an appointment. If a referral is not obtained prior to your appointment, the appointment will be cancelled until a referral is provided.

Minors: Minors will not be treated without a parent/guardian present. In matters of child custody, Florida Joint & Spine will bill the insurance carrier for the parent signing the consent forms. The parent signing the consent for services will be responsible for any outstanding balance, unless a court order is provided stating otherwise.

Medical Records & Insurance Form Completion: Forms are completed within 10-14 business days of receipt and prepayment. The patient must sign a medical release and work status form before the form can be completed. Patients requesting electronic copies of their medical records can obtain them free of charge by accessing their patient portal. Patients requesting paper copies of their medical records must complete a signed release. The following fees apply to all forms: FMLA (Family Medical Leave) = \$30, All other forms 1 page or less = \$15, All other forms 2 pages or more = \$35. Forms will not be completed without prepayment. Patient is responsible for all fees! Records can be picked up with a photo ID; they cannot be mailed. This is to ensure patient confidentiality. X-Ray copies are provided via CD with a signed release form and photo ID. If picked up in the office the charge is \$5.00 and if mailed the charge is \$10.00 with a request turnaround time of 10-14 business days.

Medicare Supplement Insurance: We are a participating provider with the Medicare Part B program; and as such we are obligated to write off the difference between what Medicare pays us for the services rendered to you (the "allowed amount") and our usual and customary charge. Medicare pays 80% of the "allowed amount" to us directly. The remaining 20% and your annual deductible are the patient's responsibility by federal law.

Non-Covered: Patients are required to make payment for any balance not covered by the insurance plan. If you are unsure whether a service is covered by your plan, ultimately it is your responsibility to contact your insurance company to review your benefits.

No-Show: A \$30 established patient or a \$75 in-office procedure no show fee will be applied to the patient's account when the patient has not given our office adequate notice (more than 24 hours) of an office appointment cancellation. Two no show appointments will result in a letter to the patient and primary care physician. Three no show appointments will result in termination of care. If a patient who has not established with the practice misses their first appointment on Three separate occasions, they will not be scheduled for any further appointments.

Refunds: Patients will be refunded any overpayment once all claims on the account have been processed and the patient has been released from care. The accounts payable department will issue a refund check in a timely manner.

Self-Pay: All new patients without proof of insurance will be required to pay a deposit at time of service in the amount of \$310. For follow-up appointments the patient will be required to pay \$165 at time of service. All new fracture care patients will be required to pay a deposit at the time of service in the amount of \$650. For follow-up appointments the patient will be required to pay \$200 at the time of service. Patients scheduled for injections and other office procedures may be required to pay additional amounts at time of service. PATIENTS SHOULD BE AWARE THIS IS ONLY A DEPOSIT! THE TOTAL CHARGES MAY BE MORE OR LESS THAN THE INITIAL DEPOSIT COLLECTED. Any remaining balance for the visit will be collected at check out.

Surgery Cancellation Fee: Patients, who cancel their surgery with less than 48 hours' notice will be charged a \$200.00 fee for the late cancellation. Surgery will not be rescheduled until the fee is paid.

Surgery Pre-payment: Patients are required to pay their portion of the surgical fee two (2) business days prior to the surgery. Patients unable to pay may be required to have their surgery rescheduled.

Travelers Insurance for International Patients: Any international patients who have Canadian, International health care insurance or traveler's insurance, automatically become Self Pay patients. The patient will be responsible for charges at the time of service. It is the patient's responsibility to file their claim with the insurance company. Our office would be happy to assist you with this.

Worker's Compensation: If a patient is injured on the job, it must be reported to the employer unless the patient is worker's compensation exempt. The initial appointment is to be handled through the worker's compensation adjuster. If the employee is worker's compensation exempt, you must provide a copy of the State exemption. Any non-participating worker's compensation carrier will be required to sign our worker's compensation agreement before making any appointments for the patient. The adjuster will be required to provide any non-English speaking patient with a translator.

Physician Phone Calls: When calling the office to speak with your doctor or another member of the office we will do our best to return your phone call within 48 hours. Since we are not an urgent care clinic, if you have an emergency, we advise that you go to your nearest emergency room.

Psychological Evaluation: Because of the nature of our treatment, there may be occasions when the physician determines that a psychological evaluation is necessary. For example, many healthcare plans require evaluations prior to intrathecal pump or spinal cord stimulator trials. We reserve the right to discontinue care if you fall to obtain an evaluation as requested

Staff: We require our staff to address our patients with the professionalism and we ask our patients to do the same. If at any time our staff feels that your tone or language is offensive or abusive, we expect them to term mate the conversation immediately and notify their immediate supervisor or practice administrator. We will document your record and depending on the severity of the situation, you may be discharged from the practice.

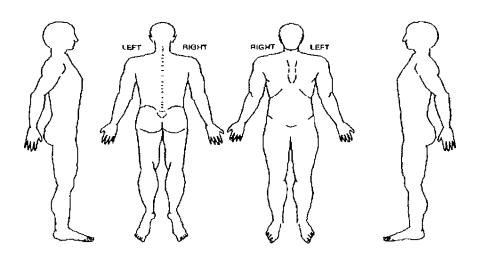

I understand that it is my responsibility to inform Florida Joint & Spine, P.A. of any changes in my health insurance information and/or contact information. I understand and accept the terms of this Financial Policy.

Opioid Risk Tool

This tool should be administered to patients upon an initial visit prior to beginning opioid therapy for pain management. A score of 3 or lower indicates *low* risk for future opioid abuse, a score of 4 to 7 indicates a moderate risk for opioid abuse, and a score of 8 or higher indicates a high risk for opioid abuse.

Dear Patient.

Florida Joint and Spine Institute has selected MyHealthRecord.com for your patient portal access. You will be able to access your medical records anytime, anywhere, manage your office appointments, talk privately with your care team and receive the best care possible.

At your convenience you can view your health record, exchange secure messages with your healthcare provider, request and manage appointments, request your medical records, request a prescription refill, and pay your bill online.

Once you are signed up for your patient portal, send your healthcare providers a confirmation email letting them know that you have successfully registered for the portal.

If you have any questions please call us at 863-385-2222 and we will assist you.

Once you receive your email invite to our new patient portal:

- Click on the link to open the portal
- Make sure you are using the google Chrome or Firefox browser
- Type in your name, date of birth and zip code
- Choose a user name, password and security questions
- Accept registration disclaimer
- Click on My Message, click new
- Choose your provider. Select question type...asks a medical question. Let us know you have signed up and/or ask us any questions you may have.
- Click send
- You will receive a Welcome email once completed successfully.

Thank you,

Florida Joint & Spine Team
